## Home Repair Report – July 1, 2022 thru June 30, 2023

Report Date: 7/5/23

### 118 PSP Home Repair Jobs COMPLETED Since July 1, 2022

**A. Direct Contact with our office for PSP (Putnam Service Project) AND/OR USDA 504:      210 households composed of 222 individuals**

<i><u>Program</u></i>	<i><u>Program Sponsor</u></i>	<i><u>Households Working or Completed</u></i>	<i><u>% of Total Households</u></i>
PSP	Our Habitat affiliate	118 Households	53%
USDA	Federal Government	41 Households	18%
Not qualified for above active programs		64 Households	29%

The above numbers indicate the number of households whom we determined were or were not qualified for one of the two programs above (PSP, USDA). However, the numbers do not indicate the number of households who were ultimately approved and/or had work completed.

**Putnam Service Project:** Total amount spent on PSP      **\$37,603.95** (Average: \$561.23 per job completed – 67 jobs)

<b>PSP</b>	<b>\$38,600.00 (includes \$2,600 carryover)</b>	
<b>PSP</b>	<b>Remaining to spend</b>	<b>\$996.0523,</b>

**PSP Log:** Please see attached PSP Log which also shows USDA 504 clients.

**Jobs by category:** (Please see attached log)
